INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith patents, publications or other information of which the applicants are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references are listed on PTO-1449 form (modified) enclosed herewith. Copies of the references have already been acknowledged as received by the Office in the notice dated March 29, 2002.

Additional comments, if any, on the relevance of each reference listed are provided as follows:

The references were cited in the PCT international search report, a copy of which is enclosed, showing the state of the art.

The Statement is made on the basis of the information:

_____	supplied by the inventor(s);
<u> X </u>	supplied by an individual associated with the filing and prosecution
_____	of this application (37 CFR 1.56(c)); or
_____	in the attorney's file.

Respectfully submitted,

Date: June 3, 2002
